

# Shadow Puppetry Project Rubric

Names: \_\_\_\_\_

	4	3	2	1	SCORE
<b>Posture</b> Puppeteers are always aware of their body's own shadow, as well as the puppet's shadow, in relation to the screen. Non-puppeteers are aware of their own presence when delivering narration, dialogue; etc.					
<b>Movement</b> Puppeteers are always aware of how their puppet moves across the screen in relation to other puppets and scenery.					
<b>Voice</b> Performers always project their voice and deliver all narration/dialogue; etc. with maximum expression.					
<b>Content</b> Performers demonstrate thorough understanding of the content being explored. Performers are confident in the content information shared.					
<b>Script</b> Script is well-crafted and demonstrates a strong opening, middle, and closing. The play progresses smoothly as a result.
